The name of the pdf file should be your enrolment number followed by the course code. **For example if your Enrolment no is 1234567890 and Course code of the assignment is MEG-1 then the file name should be 1234567890 MEG- 1.**

You are request to adhere with the following points while submitting the assignments online:

- The assignment should be hand written on plain A4 sheets and scanned properly.
- It is mandatory to mention your programme, name, enrolment no. and subject/course details on the front page **along with assignment question paper.**
