

### **Yuva Sangam Phase-5**

Yuva Sangam is a key initiative under the Ek Bharat Shreshtha Bharat (EBSB) program, launched by the Hon'ble Prime Minister of India. This flagship program facilitates exposure tours for youth, primarily students from Higher Educational Institutions (HEIs) to experience diverse cultures and achievements across different states. Through these exchanges, the Government aims to foster national integration and understanding among young people. Yuva Sangam not only emphasizes cultural exchange but also includes activities designed to enhance leadership, sports, and soft skills. Participants will engage in workshops on communication and teamwork, take part in sports events organized by SAI, and have the chance to interact with VVIPs and notable personalities from the host state. The success of previous Yuva Sangam phases underscores the vital role of youth in building connections across communities. This initiative has positively impacted the lives of thousands, contributing to a more united and inclusive India.
